3. The person signing the booking form is the hirer, who will be responsible for payment of the hiring fee and or any damage done to the building or equipment. Where a promoting organisation is named on the form, that organisation is also deemed to be the hirer and is jointly and severally liable with the person signing the form.

A charge may be made for electricity consumed by lights and heaters left on, and for any cleaning necessitated by the condition of the rooms at the end of the hiring period. Any damage must be reported to the Lettings Officer within 24 hours of the end of the hiring period and the costs of repair, cleaning, etc, paid on demand if they exceed the amount of the deposit. Noise As part of the License, the Committee has fitted noise limiting devices to the Undercroft and the first floor hall, to ensure that the neighbours are not disturbed by excessive noise from discos and live bands. Hirers should ensure that any discos or live bands that they have booked are made aware of the noise limiters and that excessive noise will mean that the power will cut out. The Committee cannot be held responsible for any damage to equipment whatsoever or however caused.

Setting Up

Please make sure that disco lights and other temporary lighting is safe, that speakers are secure and that electrical cables do not create a trip hazard.
