

Deep Clean in High Street.

On Tuesday the 29th of October the NHDC Street Cleaning Team will be carrying out a deep clean of straw and leaves from the gutters in the High Street that normally evades being cleaned because of parked vehicles. This side is the side that has Richmonds Coaches and the Surgery. Barley villagers and visitors will be asked to park in The Town House Car Park or change sides to park opposite on the Bankside side of the High Street between 7.00 am to 1.00 pm.

NO WAITING bollards will be put out on the afternoon before to remind residents to temporarily change normal parking habits.

Please check your holiday dates, and if necessary please move your vehicle, to avoid obstruction, either to a friends driveway or The Town House Car Park.
